

Workshop Coordinator

Application deadline: 10 March 2025

Applicants notified: Mid-April 2025

The position starts 1 May 2025 and ends 31 July 2025.

Centre for Nordic Otherwise is a brand new pilot initiative by and for BIPOC artists and collectives exploring social issues and critical viewpoints. Nordic Otherwise will produce and share underground work methods through a network and a research-based artist development workshop. Nordic Otherwise is made possible thanks to Nordic Culture Fund, ASSATA (NO), Arts Council Norway, and Andromeda8220 (DK). Nordic Otherwise is also supported by a wider network across Norway, Denmark, Sweden, Finland, and beyond.

Nordic Otherwise currently has 1 part-time staff member: Founder and facilitator, Dr. Myriam Diatta

The first cycle of the workshop, called the Curriculum, will happen this summer! 4 artists based in Denmark, Norway, Finland, and Sweden will be selected via open call to come to Aarhus, Denmark for 1 week. I, Myriam, created this Coordinator role so that I can focus on facilitating activities I designed for artists, and to have a partner to take the wheel on the other important aspects of making the workshop happen. This position is funded through Nordic Culture Fund.
