

Violin – Baron Swerts Academy

The Baron Swerts Academy by the Antwerp Symphony Orchestra is an outstanding programme which nurtures the finest early-career professional orchestral musicians, introducing them to multi-faceted experiences and preparing them for a career as a versatile orchestral musician run by one of Belgium's eminent international cultural institutions based in Antwerp.

It is valued and warmly supported by orchestra musicians and staff, alumni, sponsors and other stakeholders.

Program:

The Academists will be engaged for 12 pre-scheduled weeks between September and June. In these weeks there will be orchestra projects with top conductors (including the chief), workshops and trainings, as well as a Mock Audition. The orchestra projects include major symphonic works and Flemish repertoire.

Each Academist will be assigned a mentor and will receive 10 lessons from orchestra musicians of their choice.
