

SHE IS HIRING - A Editor

She Post Production is looking for a full-time editor/colorist to help build our motion department. Based at our studio in Copenhagen, you'll work closely with Director Frederik Heide and a small team of retouchers on commercial and editorial projects, while helping shape the future of motion at She Post. This is a hands-on role for someone who wants more than just editing videos - someone looking for real responsibility, creative influence, and the opportunity to grow alongside the company.

We're looking for someone with a strong aesthetic sense, a hunger for responsibility, and a fixer mentality.

You:

- Have a deep passion for film/photography, editing, and color grading.
- Have a strong visual and aesthetic sensibility, and are highly skilled at understanding and translating others creative vision.
- Communicate clearly and can manage multiple projects simultaneously.
- Understand budgets, deadlines, and the value of your work.
- Have freelance, entrepreneurial, or agency experience that has given you insight into both the creative and commercial side of the industry.
- Understand the value of networking and have experience turning connections into clients.
- Strong experience in Premiere Pro and DaVinci Resolve is expected. Experience with After Effects and Photoshop is a plus.

The role

Beyond editing and grading, you will:

- Work closely with Director Frederik Heide to build and develop She Post's motion department.
- Help build a post production studio where motion and stills work seamlessly together.
- Expand opportunities with existing clients while helping attract new business.
- During quieter periods, you'll be expected to assist with tasks outside of editing as needed.

Clients & projects

Our clients are primarily within fashion, lifestyle/culture.

Projects include:

- Editorial and commercial campaigns
- Brand storytelling projects
- Video content for social media
- Music videos

Process

If you move forward in the process, you will be asked to complete a test to demonstrate:

- Your technical and creative abilities
- Your aesthetic judgement
- How you interpret and execute a brief

Your performance on the test will determine whether you proceed to an interview.

Send your application and a link to your work to jobs@shepostproduction.com ☐

We don't have a fixed application deadline - we'd rather find the right person when they come along. That said, the current application deadline is set for the end of September.

Your employment will include a three-month trial period, giving both of us the opportunity to make sure it's the right fit.

We look forward to meeting you.

Kind regards,
She Post Production
Frederik Heide
Managing Director
