

Graphic and Multimedia Designer

The Danish Institute for Human Rights is looking for a graphic designer for our Communications and Engagement Department.

Graphic and Multimedia Designer

The Danish Institute for Human Rights is looking for a graphic designer for our Communications and Engagement Department. We need a person with skills in different types of graphic design.

Your tasks

- Layout and design of publications, reports and brochures (both print and digital), as well as newsletters and PowerPoint presentations
- Photo and video editing
- Design of e-learning courses.

About you

We are looking for a candidate who:

- has a minimum of 3-5 years of relevant work experience
- is superuser in most programmes in Adobe Creative Suite ((InDesign, Photoshop, Illustrator, After Effects, Premiere Pro)
- has experience in developing e-learning courses in Articulate Storyline
- speaks English at a high level (orally and in writing), as a very large part of the production is in English
- is a good and committed colleague who contributes to cooperation, professionalism, helpfulness and an informal tone in the office.

You will work in the Communications and Engagement Team together with ten other full-time colleagues and three students.

Salary and terms of employment

It is a full-time position of 37 hours per week. Salary and terms of employment are determined in accordance with the applicable agreement between the Ministry of Finance and the relevant organization. We want to be a diverse workplace and therefore encourage everyone qualified to apply.

Application deadline

Send your application and CV in English via the link on this page no later than Monday 14 June at 12.00. We hold interviews in the same week and the week after application deadline.
