

Graphic Designer

Would you like to be our new kickass graphic hero?

Would you like to be our new kickass graphic hero?

As a Graphic Designer, you will primarily be a part of our talented marketing team but you will also work across helphouse. The tasks will range from regular SoMe-posts to creating customized designs for UI/UX, etc. You won't get bored!

You are analytical and have a logical sense. You don't have to be an extrovert, but you take the initiative and you like to share knowledge with your colleagues.

You will need to have

- Experience with Adobe Creative Cloud (Illustrator, Photoshop, Indesign),
- 3+ years of work experience,
- Basic knowledge of Jira,
- Creative writing skills,
- An open mind towards new challenges,
- A positive attitude and a passion for working in a client-driven company

Language

- English on a Business Level
- Danish or/and German on an Advanced level

One of our values is flexibility which means that we would love to have you in the office as much as possible, but we are open for you to be working remotely.

We are looking forward to hearing from you.
