

Photographer wanted for Ung Nordisk Musik 2021 : (un)common ground

Ung Nordisk Musik is an annual festival presenting the youngest generation of Nordic composers and sound artists. In addition to presenting their works, the festival offers artists the opportunity to share experiences and network across borders. UNM Danmark is looking for a artistic photographer to work together with our festival PR Manager during this year's festival August 9-15th in Aarhus.

- **Salary:** 20.000 dkk (amount incl. moms/VAT). Salary negotiable based on portfolio.
- **Application deadline:** 4th of August 12.00
- **How to apply:** Send an email with a representative portfolio of your work to: PR@ungnordiskmusik.dk (CC: mikkel@ungnordiskmusik.dk). Include in the email a short text about yourself as a photographer and confirm your availability in Aarhus during the dates of the festival. The email should be in either English or Danish. As a starting point UNM will not be providing travel/accommodation during the festival. However we still encourage interested photographers based in other parts of the country to apply, as this point is negotiable based on your portfolio.
- **About:** The job is a time-limited full time employment requiring your availability for the duration of the UNM festival in Aarhus. This will be during the day time and for all events. A full festival schedule can be found on: <https://www.ungnordiskmusik.dk/program/>
- You will be working together with our festival PR Manager, whom you will also have an online production meeting with prior to the festival. She is in charge of producing content for our social media effort and website. Expect to shoot concerts, workshops, rehearsals, concert set-up, portraits of participants and musicians, social situations, and miscellaneous photos - we hope you will be able to capture all aspects of the festival. As a selection of those photographs will be used for our online presence during the festival, we require you to be able to quickly edit and prepare a small amount of photos for publication on the same or following day. A very simple video-set up for recording short interviews [video+audio] with visiting composers, musicians or organizers will be strongly appreciated. It will not be your job to record documentation video of any concerts or other events.

Experimental concert-photographers are strongly encouraged to apply, but UNM will also require a representative selection of standard event/PR photos for the entire festival.
