We are a small but fast-growing company where being a team player is crucial to success. It is expected that the right candidate is flexible and can help with practicalities outside their core job when needed. We are

looking for someone who is willing to learn and roll up his or her sleeves when necessary. We offer the opportunity to gain hands on experience and work with a young and motivated group full of humor in a casual

working environment.

This is a full-time position where hours flow up and down depending on the demand where peak periods can arise during the development of new catalogues and communication material. Your workspace will be located in our offices in Nordvest, Copenhagen.

If this sounds like an interesting opportunity for you send your application including your portfolio or examples of your work to Ellora Rasmussen at [ellora@luciekaas.com](mailto:ellora@luciekaas.com) by September 30.

We look forward to hearing from you!
