

Administrative Work in the Music Production Team

Upright Music is looking for a structured and dedicated Student Assistant with a passion for administrative work and music for our office in Copenhagen. Upright Music is the Nordic's leading independent music company specialized in providing music for TV, advertising, and film productions. We are based in Copenhagen and have an office in Warsaw as well. The music production team creates content for our own labels, and work in collaboration with both established and upcoming composers to produce, release, and distribute music of highest quality.

What we are looking for

We are looking for an efficient, service-minded, and flexible student who can keep a sense of perspective while working with a constant variation of tasks. The person we are looking for has an eye for details, is good with teamwork, structured, patient, organized, and self-reliant.

The main tasks will be to assist in preparing data for new albums for release and distribution as well as upload and register data with various performing rights societies and sub-publishers. The job requires an interest in and the ability to work thoroughly with detailed administrative tasks; communicate well both internally and externally; as well as categorize and describe music. Additional tasks will be to assist with various ad hoc office tasks on behalf of Upright Music.

We will prioritize a person who is currently studying. After graduation, a full-time employment can be an opportunity.
