

Retoucher / trainee

We are on the lookout for a full time paid retoucher/trainee with base in Copenhagen. If you're a big time tech-geek with a superb eye aesthetic, competent with various post production software and would love to be part of our small office community, we would love to hear from you.

In this full time position, you'll be helping out on various projects, both commercial and editorial - still Images and moving. We do everything from campaigns to lookbooks, packshots to E-com images and all in-between.

The key responsibilities of the jobs are as listed:

- Assist on various retouching projects as assigned including taking part in email correspondences with clients and managing the schedules for your assigned projects.
- Perform administrative tasks including managing files and backup completed projects.
- Assist with daily tasks including tracking packages, picking up proofprints, helping with keeping the workspace clean etc.

Here is our description of the ideal person for this job:

Big time tech-geek, as well as an artistic-soul with an aesthetic eye superb.

Your Liquify skills are out of this world, and your experience with Stamp, Healing, and Path tool is unrivaled.

You're a problem solver by heart and knows how to follow tasks safely to the end with a sharp eye for deadlines. You

would love to be a part of our small office community in Copenhagen, as well as independently managing your own time within given tasks.

You're passionate about your work, and have a great desire to keep learning with a curious approach, an open mind, and if there's something you don't know, you're always prone to see if the answer lies a quick google search away.

Flexibility to working hours is highly valued.
We work mainly with Adobe CC and Capture One.

**Please send us a mail
to jobs@shepostproduction.com with your application
and CV, as well as a single pdf with a selection of your
work.**
