

Grafisk Designer til Moonboon

Moonboon leder efter freelancer grafisk designer til Branding og Marketing afdelingen

Moonboon leder efter en freelancer, med mulighed for fremtidig ansættelse, der kan hjælpe vores team 2-3 dage om ugen. Det vil handle om 10-15 timer om ugen, alt efter hvor travlt der er på kontoret. Vi er en dansk virksomhed men har 5 webshoppe henvendt til forskellige europæiske markeder. Sproget på kontoret er engelsk, hvorfor det resterende job opslag er skrevet på engelsk.

///

Moonboon is looking for a freelance graphic designer, to assist our grafical design lead. Possibility of future employment. To begin with, expect 2-3 days a week, adding up to 10-15 hours weekly. The position requires skills related to graphic design, video editing, and digital media.

About Moonboon

Moonboon produces and sells high-quality Danish-designed and organic baby products. To some candidates that might sound dry, but you'll find that Moonboon is anything but -- We care deeply about great design, do our own photo- and video shoots and spend a lot of time and energy to consider how we portray ourselves.

The Opportunity

You will work closely with the rest of the Branding & Marketing team, including our full-time graphic design lead, to help strengthen the Moonboon brand within the general European market. It is a unique opportunity to join a young and ambitious company and get first-hand experience in graphic design, UI design, video editing and e-commerce. You will help create online ad campaigns in several languages, design print advertorials, edit new product pictures and help produce content for our social media channels.

What we're looking for in a candidate:

- Student or graduate in Graphic design, multimedia design, concept development, or similar form of communication
- Strong experience with the Adobe creative suite
- Experience working with video editing and animation is a big plus
- Experience working within design guidelines
- Experience working in a collaborative team environment
- Fluent in either Danish or English

Key work tasks:

- Help the graphic designer with daily tasks
- Video editing – compositing, color-grading and editing video material for use on our different platforms

- Create creatives for online advertising – both stills and video ads
- Preparing marketing materials and creating print layouts
- Help run the website and keeping it up to date

Desired personal characteristics:

- Great people skills
- Good eye for details and a great overall taste level
- A go-getter/executer mindset
- Able to work in a collaborative team environment

Perks and benefits:

- Free lunch, coffee, and snacks
- Friday bars and team events
- Flexible working hours
- Professional sparring & development
- Modern work environment

You'll join a highly ambitious team that aspires to make our company the global Go-To for luxurious baby accessories.

How to apply:

Please send us your portfolio and CV. We'll be doing interviews as the applications come in.
