

Graphic Artist / Content Artist

Do you know anyone, who just wants to be drawing all day (with some breaks of playing great games, coming up with new ideas and talking to really nice people.) Then send them my way!

MovieStarPlanet needs a talented and experienced Graphic Artist to help us expand our game worlds.

Our visuals are a huge part of our identity and are cherished by millions of kids worldwide.

So would you like to help us create fun and engaging social gaming experiences?

About the job

You will be working as a part of an Art Department producing vector 2D graphics. As a Content team member, you are enriching our game universes with fresh and imaginative content.

Your main responsibilities:

- Design and Create new illustrative content (e.g. characters, clothing, props, backgrounds, logos, animations)
- Working with our pipeline to upload and test what you made
- Work with Marketing department to create promotional material

About You

You are an experienced, enthusiastic, creative, and highly professional individual who thrives working within a small team to deliver rewarding user experiences. You can work independently and know how to prioritize and plan your work.

Must Haves

- Interest in creating content for the tween market
- Outstanding Vector illustration skills
- Well versed in Flash / Animate
- Ability to adapt your style to a given art direction
- Be comfortable working in a fast-paced production environment
- A pragmatic, performance conscious approach to your graphics
- A great team player
- Written and spoken English on a professional level

Desirable

- 2+ years of professional experience in the field of interactive creative media

- Experience in Animating in Animate and/or Spine

About Us

MovieStarPlanet ApS is the company behind the games and social networks MovieStarPlanet 1, MovieStarPlanet 2 and BlockStarPlanet targeted for kids aged 8-13 years. In the virtual worlds, users design their own MovieStar or BlockStar avatar, which is used to play the games and have fun with friends.

Some of the key features include dress-up, chat with friends, create looks, make movies and scrapbooks, design clothes, build worlds and prefabs and play mini-games.

Launched in Denmark in 2009, MovieStarPlanet ApS has experienced explosive growth. Currently, the games are live in 16 countries across 11 European markets as well as the United States, Canada, Australia and New Zealand. Globally we rank among the most popular virtual worlds for the target group with more than 300 million registered profiles.

MovieStarPlanet ApS employs around 75 staff at the Headquarter based in the attractive surroundings of the new and modern part of Copenhagen called Ørestad, located very close to the city center and the metro line. Corporate language is English.

The position is time-limited for one year, with start as soon as possible.
