

Bassoon tutti

The vacancy is for the position of bassoon tutti in Enschede

As a member of our orchestra, you will work mainly in Enschede, but you will also regularly rehearse and perform in Arnhem and play throughout Gelderland and Overijssel and beyond. Your personal portfolio gives the possibility to take initiative for any type of activities within the orchestra.

Phion: Orchestra of Gelderland and Overijssel, is based in this region and will work from two locations: Arnhem and Enschede.

With 128 permanent musicians, we form the largest professional symphony orchestra in the Netherlands. Our ambition is to become one of the most innovative and prominent orchestras in the Netherlands in the 2021-2024 arts and culture funding period, performing at the highest artistic level. Our goal is to reach as many people as possible with live symphonic music through extensive diverse programming.

From large symphonic repertoire to small-scale productions, from popular repertoire to exciting crossovers, an educational production or a new concert formula at a special location. We continue to innovate and search for new concepts and play productions with institutions such as opera, dance, and (youth)theatre.
