

Graphic Designer for Develco Products

Develco Products is looking for a dedicated full-time Graphic Designer to join our marketing department.

Do you have the skills to turn complex technology into compelling visuals? And are you interested in packaging design? Then we might have the right position for you.

At Develco Products, we experience great global interest in our innovative wireless products. Right now, we are looking for a dedicated full-time Graphic Designer to join our marketing department.

As our Graphic Designer, you will maintain the visual identity of Develco Products and the frient brand (www.frient.com). You will take part in creating technical documentation, online marketing material, brochures, and manuals. You will also be involved in designing packaging, creating animated product videos, and a wide range of other projects.

Tasks and responsibilities:

- Creating visuals for online communication, including website and SoMe
- Creating print materials, such as installation manuals, datasheets, and brochures (see example)
- Design of packaging
- Creating animated product videos using 2D and 3D tools (see example)
- Making PowerPoint presentations
- Creating stands and campaign visuals for trade shows

Qualifications and competencies:

- You are well versed in Adobe Creative Cloud, especially InDesign, Photoshop, Illustrator, Dimension, and After Effects.
- You can create appealing visuals and simple animations with 3D software (Blender, Rhinoceros 3D, etc.) using given 3D objects.
- You have an eye for composition and lighting when taking photos and creating 3D scenes.
- You are capable of communicating complex technology in an accessible and inspiring way.
- You are fluent in English, as it is our corporate language.
- You are good at working independently.
- As a person, you are proactive and meticulous.

- An active staff association

Application

Send your application marked "Graphic Designer" including your CV and portfolio examples as soon as possible to Head of Strategic Marketing, Dorthe Gårdbo-Pedersen at dgp@develcoproducts.com.

If you have any questions about the position, you are welcome to contact Dorthe Gårdbo-Pedersen at +45 25 38 54 34.

We review applications on an ongoing basis and reserve the right to take down the advertisement when we have found the right candidate.

About Develco Products and frient

Develco Products is a B2B company providing white label products within the fields of home care, security, insurtech, and energy management. We develop, produce, and market high-volume customized products, including gateways, sensors, smart plugs, etc., for companies supplying end-users with IoT solutions. In 2020, Develco Products launched the frient brand that offers mature and user-friendly devices to smart homeowners.
