

2nd flute / piccolo - Residentie Orkest The Hague

The position

The flute section currently comprises two principal players and a solo piccolo/2nd flautist. We are seeking a further 2nd flute / piccolo player to complete the section. In addition to playing symphonic repertoire in the orchestra, you will also be available for (educational, participation and outreach) activities and orchestral performances in smaller ensembles.

Requirements for the position

Needless to say, you must be a distinguished flautist with an ability to adapt to the performance style and tone colour of the section principal. We consider it essential that each of our players is an ambassador for our orchestra, and that they collaborate in educational activities and ensemble productions in addition to the fully staged performances. You must be a positive team player who can strike the right balance between individuality and sectional playing.

Applications and procedure

Please submit your application no later than 14 November 2022, using a fully completed application form, for which you can find the template on our website at www.residentieorkest.nl/vacatures

Auditions for this position will be held on Tuesday 21 December (preliminary and first rounds) and on Wednesday afternoon 22 December (final round) 2022. Compulsory works:

- H. Dutilleux: Sonatine for flute and piano, complete work;
