

2nd Bass singers to the Göteborg Opera male Chorus

The chorus consists of 46 professional singers and performs in most of our opera productions as well as concerts. Members of the chorus are regularly used for solo parts and are occasionally given the opportunity to cover lead roles. We consider drama and movement to be important elements of the chorus' work.

The Göteborg Opera wish to employ two singers for the 2nd bass section, in the opera chorus. All two positions are permanent contracts and start with a probationary year on the 1st of July 2023.
