

Professor of French horn

About the Position: Scope and discipline

The vacancy is a permanent full-time position available from 1 August 2023.

The position's subject area is French horn.

Duties and responsibilities comprise teaching and supervision of students, artistic research and development activities, and related administrative tasks.

Teaching and supervision

Duties include teaching and supervision in French horn and chamber music on bachelor and master levels, in accordance with current curricula. Tuition is given both individually and in groups. Duties may also include teaching for lower age groups.

We welcome applicants who show initiative and wish to plan and lead seminars and courses within their discipline, in collaboration with colleagues. The successful candidate will also participate in the preparation and execution of entrance auditions and examinations at the Academy.

Research and development activities

The Professor of French horn will be expected to maintain a high artistic level, principally through her or his own artistic activity and through research or development projects. The successful candidate will also be expected to contribute actively to the academic environment and the advancement of research and development.

About the Academy
