- Video(s) are required for pre-selection purposes (details below).
- Repertoire of the preliminary video round:
- Mussorgsky: Pictures at an Exhibition, Promenade
- Stravinsky: Petrushka, Ballerinas Dance and Walz

(Parts attached here)

The video clip must be filmed with one camera in front of the player. In the recording, you should aim for good sound and image quality. The works in the video pre-selection round must be recorded as a single take without breaks in the order indicated above. Post-processing of sound and/or image is prohibited. The recording must be uncut.
