

Tutti 2nd violin - Norwegian Radio Orchestra

The Norwegian Radio Orchestra seeks a tutti
2nd violinist.

We are proud of our versatility! Our core repertoire is the classical symphonic repertoire. However our repertoire also spans music from many different genres, and we are committed to high standards in all of our projects. The size of our orchestra reflects our chamber music approach to the orchestral repertoire. We want every musician to feel that they can take initiative to and contribute actively to the musical result.

The applicant has to apply via Webcruiter and has to include a video recording (instructions below) in order to be considered for the audition in January.

To guarantee that the recording is not edited, the applicant must be visible throughout the recording.

A smartphone video is of sufficient quality. Make sure to have an appropriate distance between the microphone and your instrument, and film the video in landscape mode. The whole instrument should be visible in the video.

The video recording should be uploaded to YouTube and marked as "unlisted". Copy and paste the link into your application form. Videos that are sent in any other way will be disregarded. The video in its entirety must be recorded in a single take with no editing.
