The Lahti Symphony Orchestra is a dynamic, innovative orchestra maintained by the Finnish city of Lahti. Major functions are, in addition to offering audiences a wide range of concerts, touring, recording and education. Its home is the Sibelius Hall, famous for its magnificent acoustics. The orchestra, together with its Principal Conductor Dalia Stasevska, seeks to recruit first-class players with good team-working skills.

Principal double bass maintains the solo capability required by orchestral literature, leads the double bass section by exercising, supervising and developing it, and provides instructions for acquiring group assistants and substitutes. We appreciate experience of similar tasks and good cooperation and interaction skills.

The salary, including the individual pay component and recording supplement is 3128-3379 € per month. Work starts at 14th August 2023.
