

Violinist

Violinist for the Uppsala Chamber Soloists and concertmaster for the Uppsala Chamber Orchestra

Music in Uppland is seeking a highly qualified violinist for the position as a violinist in the Uppsala Chamber Soloists and concertmaster in the Uppsala Chamber Orchestra - a unique position where you get to combine orchestral playing with being a chamber musician.

The Uppsala Chamber Soloists is regarded as one of Sweden's foremost chamber ensembles. In the ensemble, you share the artistic responsibility for programming and selecting invited guest artists. Furthermore, the violinists in the ensemble alternate between violin I, violin II, and viola II.

The Uppsala Chamber Soloists have a subscription series at the Uppsala Concert & Congress Hall and engage in annual touring activities throughout the Uppland region as well as other parts of the country. Occasionally, international tours are also conducted. Music for young audiences and music in healthcare are important parts of the organization's activities.

The Uppsala Chamber Orchestra is the professional orchestra of the county, recognized as one of the leading orchestras of its size in Sweden. In the orchestra, you will be one of three concertmasters, also alternating as the leader of the second violins. The orchestra has a subscription series and family concerts at the Uppsala Concert & Congress Hall.

Scope: Full-time. Approximately 75% Uppsala Chamber Soloists and 25% Chamber Orchestra. Some flexibility in working hours and scheduling.

Employment: Permanent position with a probationary period.

Starting date to be agreed upon.
