

# 3D artist

We are looking for a talented 3D artist to join our team!

In this position, you will be responsible for making models, textures, scenes, and shaders to create visually compelling environments. You will work closely with our Art Director and the rest of our 3D team to ensure technically and aesthetically high-quality renders.

We are looking for a talented 3D artist to join our team!

OPINORD is a furniture company that designs, develops, and delivers furniture for international furniture stores. We are a small, dynamic team with an open mindset and room for ideas. We are looking for an ambitious 3D artist, to be part of our 3D team, who creates renderings of furniture in various settings, for branding and customers.

In this position, you will be responsible for making models, textures, scenes, and shaders to create visually compelling environments. You will work closely with our Art Director and the rest of our 3D team to ensure technically and aesthetically high-quality renders.

## About you:

- You have an artistic eye for detail and can bring out atmospheric renderings with high realism, from packshot renderings to more complex interior scenes.
- You work independently and can have several projects running simultaneously.
- You are interested in furniture and interior design and trends.
- You are structured and used to sharing your scene files and assets with others in an organized way.

- You stay updated on the latest best practices and tools for better or more efficient 3D art creation and are also willing to share knowledge and learn from the team.
- A specific educational background is not required but you could have a background in architecture, interior styling, spatial design, industrial design, visual communication or similar.

**Requirements:**

- You can work efficiently in 3ds Max and V-ray.
- You have 3+ years of experience with 3D.
- Knowledge of Solid Works & Photoshop post-production is a plus.
- You can work on-site at our office in Charlottenlund.

**Advantages:**

- Experience in product Photography & light setting.
- Experience in interior styling or visual merchandise.
- Experience with creating furniture in 3D, especially soft furniture with fabric creasing, etc.

If this sounds like you, please send your CV and portfolio to [marie@nanhed.com](mailto:marie@nanhed.com) at latest July 10th at 12.00.

For any questions, feel free to send an email or call +45 31 53 23 16.

We hold interviews continuously and might take the job post down earlier if we find the right candidate.
