

Associate Principal Second Violins (2x)

The Netherlands Radio Philharmonic Orchestra has established a prominent place in Dutch musical life since its foundation in 1945. Together with the Netherlands Radio Choir, the orchestra received the Concertgebouw Prize in September 2017, emphasizing the quality of both ensembles once again.

In the Dutch music scene, the Netherlands Radio Philharmonic Orchestra distinguishes itself through specially programmed symphonic concerts and has also distinguished itself remarkably with concertante opera performances and Dutch music. First performances in the Netherlands and world premieres are an important part of the repertoire. A number of performances - often world premieres - have been released on CD.

Chief conductor of the Netherlands Radio Philharmonic Orchestra is Karina Canellakis.
